## News From Your TOWN HALL

Do you know where the center of the City is—well, for street numbering purposes anyhow? It's right in the center of the bridge on Main Street.

If your foot's big enough you can stand in the four quarters of Belle Glade by finding that exact spot on the bridge, for the Canal was decreed as the dividing line between the north and south and Main Street, with its extension to Pahokee, is the division line from east and west.

Bill Pierce is in northeast Belle Glade and Alfar is in northwest Belle Glade. This seems a sensible and natural division and easy to learn. The official numbering system will be completed soon. No longer will it be necessary to say: "Just a hoop and a holler from the pig pen up the road," when telling someone how to get to your place.

Water from the lake will be available just as soon as the motors arrive. We will gain quite a bit in volume of water available because it will not take as much treatment. We won't get the new treatment plant any too soon.

## Legion Denounces GI Loan Features. Offers Substitute Program

The local Legion Post at its regular meeting Tuesday night unanimously supported a resolution denouncing the "looting" of the loan feature of the GI bill of rights as a benefit to returned service men and women, and suggesting that it be entirely discarded.

The proposal offered to replace the so-called loan feature, in principle, that some existing agency of the Federal government such as the RFC, NHA or FHA be directed to make loans on homes to GIs at a low rate of interest on terms of repayment similar to the insured loans now provided under the FHA.

Other features are those drawing compensation from the government, of which there are slightly more than a million, be given first priority, and that these compensation payments be additional security for the loan if the amount is not paid, and risk make it necessary; also that any bonus or payment for lost time in vocations due to

## City Commission Secures New Numbering Plan

The Wednesday night session of the City Commission was a long one, and consisted of long discussions and consideration of business presented for action. Results in a peanut shell story, are as follows:

Signed contract with M. H. Rhodes Company for the installation of 136 parking meters, and four reserve machines, according to contract.

Granted the Fishermen's Association the use of the city hall auditorium for the afternoon.

TO THE HONORABLES: NATHAN MAY, COLIN ENGLISH, BOB GRAY and EDWIN LARSON (as Cabinet Committee on Belle Glade Prison No. 2).

The community welcomes you here as officials and as friends of the Glades, particularly in view of your records and reputations as keen business men and statesmen.

If you interpret these observations as Chamber of Commerce reasoning, then you have missed the cold, common-sense facts we are attempting to call to your attention.

Years of experience clearly demonstrate that State Prison Farm No. 2 is an asset of astounding financial proportions, practically unused.

All rice used by more than 15,000 state wards may be economically produced on the farm;

All the dried beans, canned tomatoes, canned beans, sugar, and syrup needed can be produced to financial advantage;

All the beef requirements may be profitably filled on lands owned by the I. L. Board in the immediate vicinity;

Fresh vegetables necessary for the State's several institutions in the winter, may profitably come from Prison Farm No. 2 during the winter.

Records of the Prison System and the State Purchasing Department will substantiate fully these statements.

Our hope is that your inspection trip will involve the consideration of the immediate undertaking of the above program.

## Lake Fishermen To Convene Here On December 16

The new Lake Okechobee Fishermen's Association, which was recently formed at Okechobee, according to Captain Whittle, one of its directors, will hold its second session at the City Hall auditorium in Belle Glade, on Sunday afternoon, December 16, when he expects from 250 to 300 fishing representatives present.

At this time reports will be presented of progress made by the Association on plans to keep the lake open for commercial fishing, and to plan for further developments. Captain Whittle is confident that things may not finally be as black for the fishing industry as they now appear.

He stated to the City Commission that there were 250 off-shore fishermen employed in the fishing industry, and another 50 in packing houses who depend on this type of work for their living, and that the gross business of lake fishing would

## Does Cattle Finishing Pay On Glades Land? Read This To Find Out

Clarence Aspey and his brother Lloyd own a farm on Kramer Island and produce a bean crop during the middle of the winter because of the very warm land. When the beans are off in the spring nature brings on a crop of Guinea and para grass.

For several years the Herman Sausage Company has been paying the Aspeys \$500 per head per month with a six-month period during the off season to let the cows eat the grass. A fence was put around the farm, and this year on a total of 172 gross acres 270 head were paid for at \$125 per head per month for five months. This makes \$1687.50 rental or \$9.80 per acre for the off season. Of course there were half dozen head of horses and cattle used on the farm that visited and fed with the tenant cattle.

Just to prove that the Sausage Company weren't indulging in pure philanthropy, the Aspeys bought 20 head of young steers paying \$1054.20 for them and let the Lake water, sunshine and grass and a

## BELLE GLADE GOLDEN RAMS

## Tonite Is The Time For Season's Big Football Game

### Golden Rams and Pahokee Blue Devils Play For Trophy Cup

This Friday night is the night when the Belle Glade Golden Rams and the Pahokee Blue Devils clash in their annual football game, which will determine the Glades area championship, and prediction is made that with favorable weather prevailing that it will be witnessed by a mammoth record breaking crowd of spectators.

This is the fifth time the teams have made appearance in these inter-school contests, and as both teams have good teams this year, there should be a

Since the two schools have been meeting in this inter-school series, there has developed much of a friendly rivalry, and to win this most coveted honor of being the victor, is the "something" that each team desires to attain to make a satisfying season, and to win it, each team will be at its best.

This event will feature the dedicating of the Rams' new field, as well as the presentation of the Lion's trophy cup, both of these ceremonies will be colorful and impressive in their nature, and the school bands, their majorettes and drum corps will be in attendance. Ceremonies will start at 8 o'clock, promptly, followed by the game at 8:15, and the cup presentation after the game.

Seating accommodations for 3,000 persons have been provided but patrons are requested to arrive in their seats by ceremony opening time. Neither Coaches Cooke or Ally will make any predictions on the outcome of the game, other than that their teams will be out there battling for victory.

## Mayor Tells Field Workers To Work Or Move From Town

Since the opening of the crop season, field laborers have about controlled the price of picking beans, and going to work or not, just as the emotion dictated. Many more beans could have been saved for the trade had the laborers been inclined to work and exert themselves, even though the price ranged up to \$1 a hamper and in some instances a trifle higher.

When the laborer pickup men reported on Monday morning that bean picking prices would be 75c a hamper, the workers or shirkers as you may want to determine, turned on their heels and went back home. It was also reported that several pickup crews after getting to the fields, walked out and back to their quarters.

This condition came to the ears of Mayor George Taylor, and he decided to do something.

(Continued on page 8)

## Army Recruiter To Visit Here Weekly

Army Recruiting teams from the Army Recruiting Sub-Station of West Palm Beach will visit this city on Fridays of each week at the Mayor's office in the City Hall from the hours of 8 a. m. to 5 p. m.

Anyone desiring information regarding enlistment in the Regular Army or Army Reserve may contact the Recruiting Sergeant at that time.

## Farm Bulletins Available

The Cooperative Extension Work in Home and Agricultural of the State of Florida, announces that it has on hand ready for distribution a number of bulletins, which can be secured by application. These bulletins target on the following subjects: Bulletin 124, on the Cultivation of Persimmons in Florida; very special treatise, Bulletin 125, Strawberry Production; and Bulletin 126, Poultry Raising, Poultry Houses and Equipment. These bulletins can be ordered as single copies or the entire three.

## Freakish And Spotty Frost Hits The Glades

A freeze hit the Everglades on last Saturday morning when the temperature fell to below the freezing point, and as a result considerable damage was done to the bean and potato crops. The frost was a freakish, streaky, and sort of a crazy patch one in its locations, and it hitting some fields and missing others, in a sort of a hot switch jumping game. Damage done was plenty to the beans, but the more hardy potato plants, while they secured a leaf scorching, appeared not to have stem damage, except in several localities. However, how much the freeze may have done to the spuds will not be fully known until the digging period starts, which will likely be within the coming week.

Survey of the frost areas show that most of the damage was done in the ack areas.

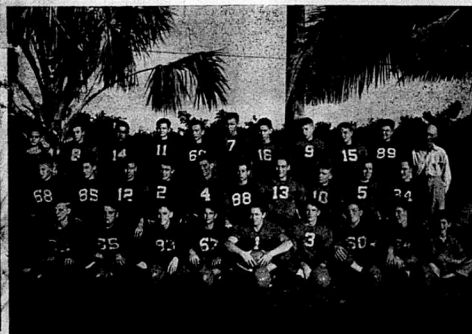

(Continued on page 8)

## Everyone Enjoyed The Special Ram-Has Been Contest

Less than five hundred cold and shivering football fans saw the special game at the Athletic field on Thursday night, November 29, between the Golden Rams and a picked team of former school and army men, and surprisingly it was one of the most comical, interesting and well played games of the season.

It also brought out the fact that the regular Golden Rams team had some luck to life again, and played like it did in the Palm Beach and Ft. Pierce games. In fact they were superior to the former players, who had but little practice to get in playing form, but the latter did display the fact that they had not altogether forgotten how to play the game, and put up a pretty rugged and turbulent combat. Two casualties

## Local Farm Survey Makes Interesting Reading This Week

### Celery Cutting Starts and Potatoes Follow Soon

In an interview with H. F. Speer, of the Agricultural Extension Bureau, after midweek, and a comprehensive survey had been made by the late frost ravages, that gentleman said:

"We had considerable loss, but not so great as would have been the case had the farmers not about completed their pickings on the fall crop beans fields. Loss could not be counted on beans in the fields, which would not have been harvested owing to poor quality and high prices for picking."

"There still is plenty of quality beans coming on, and for the next two weeks, ceiling prices will likely prevail, possibly all the beans that the market will demand up to that period."

"The labor situation is fairly good just now, but with increased demand for potato and celery field hands, the demand in this line will take a jump, and the general supply of labor will not be over the demand. Growers have demanded a lower price for picking crops than has prevailed in part of the present season, but not without much grumbling on the part of the celery growers."

"Celery cutting was started by Friend & Son and Sam Chastain in the Canal Point and Sand Cut sector this week, and by next week cutting will start in the local sector. Farmers who have been harvesting are Van Landingham Bros., Wedgeworths, Huffy Farms, Duda Bros., Wells and Lyons, Fritz Stutz, Hulse Chamber, Albert Crews, L. H. Stuckey, Vann's, Vandenberg and Williams, and others. Celery is looking good, and the slight rains of Tuesday will tend to brack the crop along."

"Upper vines of potatoes were badly scorched, but with green stocks still prevailing, production of the crop will likely have sufficient vitality to make the potatoes size up into marketable product."

"The winter crops are a bit late, so that Everglades (Continued on page 4)

## Phil O'Connell Was Guest Speaker Before Lions Club

Throughout the empire of International Lionism this week, was observed the program relating to the National Charter, and obeying that order, the local club joined in with that program.

Phil O'Connell, president of the U. S. Army, to address the club on this important subject, for, as a public speaker, few men are so able to discuss important questions as our own County Solicitor.

Phil, from his service in England, France and Germany, had

## Old Civil Suit Settled

A civil suit for dredging work performed by the Holloway Dredging Company for the Jomen Company and the Helo Development Corporation, for the excavation and construction of a work, which has been pending in circuit court for several years, last past week was dismissed upon stipulations presented by Judge Joseph S. White, upon the out-of-court settlement was based.

## New Manager For Fears Hotel

Mrs. G. W. Walker, of Wakulla Beach, has taken over the management of the Fears' hotel, so as to relieve Mrs. Fears, for work in the department store Mrs. Walker is a relative of the Fears family. Mr. George Walker, of the same place, is also visiting here for a short time.

## Believing that there would be too much confusion in the ceremonies of the new Athletic field, before the game, a change has been made, so that the Legion ceremonies will take up part of the between-lunches intermission.

These brief ceremonies will be conducted by the Commander and Past Commanders of Everglades Post.

There are no other two communities in Florida the size of Belle Glade and Pahokee who are more loyal to their school football teams. When you get and look over your souvenir program, issued under the auspices of the schools, you will see how liberal the schools were with their advertising, and there

(Continued on page 8)

## OBSERVATION and Comment

By John M. Olesch

Unless all predictions go wry, we are willing to bet a wooden footstool that the Carnival company on this Friday night, will not have a corporal's guard out of its field of operation, for that night most all the Glades people will have an important engagement up at the Okechobee field, for the annual football game. The urge to witness this game will not be deterred by fair or foul weather, for this is one of the "musts."

## Social Happenings

Mrs. Imogene Fontaine returned Saturday from a two weeks trip to Lexington, Kentucky, where she visited her daughter, Sister Julia Clark, who is a teacher at the St. Katherine Academy, and her sister, Mrs. Mary Park in Chattanooga, Tenn.

James M. Barron, Jr., spent last Saturday here with his parents, Mr. and Mrs. J. M. Barron. He received his discharge from the Army October 1st at Camp Blanding, where he served four years as a dental technician, and is now employed at the Allapatt Dental Laboratory in Miami. His wife and baby son are in Dothan, Ala., where she is convalescing from a major operation.

William C. Marker of Greenville, Ohio, was the guest of his daughter, Mrs. L. P. Parson and family last week.

Mrs. Gladys M. Brown of Miami is arriving this week to make her home with Mr. and Mrs. J. M. Barron. She will be employed in the office of Mrs. Ruth Wedgworth.

Mr. and Mrs. J. C. Williams, Jr., spent Thanksgiving day with his parents, Mr. and Mrs. J. C. Williams. He has just returned from service in the South Pacific with the Army and received his discharge at Camp Blanding. Mrs. Williams has been employed by the government at Asheville, N. C., while he was overseas. They expect to return here next week for a visit.

Mrs. J. I. Freedlund and daughter Carolyn went to Jacksonville last week end to take her grandson to his parents, Lt. Commander and Mrs. M. J. Woolley. They spent Thanksgiving here and the baby remained for a visit.

Corporal Jack Murray arrived this week from Chauteau Field, Ill., to spend a furlough with his parents, Mr. and Mrs. R. L. Murray.

Rev. and Mrs. Jay O. Jameson and Mrs. Walter Cross and son, Jay, made a trip to Wabasso and Vero Beach Tuesday.

Mrs. Frank Miller and Mrs. H. V. Dras were visitors in Miami this week.

Mrs. Casper Van Landingham

and baby son have returned home from the Good Samaritan Hospital in West Palm Beach.

## W. M. U. SERVICES

The W. M. U. of the Baptist Church of South Bay will observe the Woman's Week of Prayer next week with three services, Monday and Wednesday evenings and Friday from 10:00 a. m. to 2:00 p. m. Mrs. L. O. Ratley, president of the W. M. U. is in charge of the program. Lunch will be served picnic style at the church on Friday.

## GARDEN CLUB ANNOUNCEMENT

The members of the Garden Club are urged to attend the annual Christmas party to be held Thursday, December 13, 8 p. m. in the Community Club House. Mrs. Ivan VanHorn will be in charge of the program which will be an "Eveninggreen" and the roll call will be answered by each giving a Christmas poem or verse. A gift exchange will also be conducted.

GORDON-ROBINSON ENGAGEMENT ANNOUNCED  
The engagement and approaching marriage of Miss Rose Gordon to Joseph Robinson is being announced by her parents, Mr. and Mrs. Louis Gordon.

Mr. Robinson is the son of Mr. and Mrs. Sam Robinson of Philadelphia, Pa., and has just received his discharge from the Army following his return from overseas duty.

Miss Gordon assists her parents in their dress shop here.

## ANNUAL PILGRIM TREK ENJOYED BY W. S. C. S.

The Women's Society of Christian Service held its annual Pilgrim Trek at the Community Methodist Church Thursday afternoon. Mrs. Jay O. Jameson, who was in charge of the program, gave an impressive devotional service in the Thanksgiving theme, and presented musical numbers.

Five selections were sung by a group of girls from the High School Glee Club composed of Miss Alma Murphy, director, Florence Boree, Maxine Schug, Donna Lee Bowman, Eileen Nesmith, Jane Hamilton, Jeanne Carter, and Christine Reese. Vocal solos were given by Miss Donna Lee Bowman, Mrs. W. B. Granger, and Billy Taylor. Readings were given by Miss Louise Taylor and Mrs. Mary Cryan and Miss Margaret Haines presented an organ solo.

During the social hour, Mrs. J. F. Browne and Mrs. O. P. Springer, assisted as pilgrim mothers, poured tea and coffee at either end of a beautifully and appropriately decorated table. Other refreshments were served by the hostesses, Mrs. A. L. Willis, Mrs. W. T. Elder, and Mrs. Spedwood Barr.

## DR. FORSEE SPEAKER

GARDEN CLUB  
Plant Foods for the Home Garden, was the subject of an interesting and instructive talk given by Dr. Thomas Forsee at a recent meeting of the Garden Club at the Community Club House. Mrs. Jay O. Jameson, president, gave out attractive handmade year books to the members, and presided over a brief business session. It was announced that the next meeting on December 13 would be a Christmas party and gift exchange, and a contest would be conducted on homemade Christmas decorations made from locally grown greens and flowers.

Those attending were: H. O. Peters, Mrs. Ivan Van Horn, Mrs. C. E. Reide, Mrs. Lonnie Warren, and Mrs. Herbert D. Beck.

## B.P.W. CLUB TO TAKE PART IN XMAS PROGRAM

It was agreed upon among the members of the Business and Professional Women's Club Tuesday evening to cooperate with the Recreational Council in presenting a program and community Christmas tree on Christmas eve, and to furnish the apples for the fruit bags. The business session was presided over by the president, Miss Adelaide Perry, during which time Mrs. Ida Hardy was elected recording secretary, to replace Mrs. Margaret Harris who has resigned due to ill health. Mrs. Ed Murphy's resignation from the office of first vice president and membership chairman was regretfully accepted, and Miss Med Scott Brown was elected to fill this office. It was voted upon to change the constitution and by laws to conform with National Association of B.P.W.s. The next meeting will be in the form of a Christmas party

on December 18, and an announcement will be made at a later date.

## GLORIA INGRAM IS MARRIED IN UTAH

Mrs. and Mrs. Zach Ingram are announcing the marriage of their daughter, Private Gloria Christine Ingram to Sergeant Henry Robert Morales, mm., on December first at 5 p. m. at the Army Base Chapel in Monticello, Utah, with Chaplain Parker officiating.

The bride, who was attended first class Jack D. Cantor, The WAC, wore a dress uniform with brown accessories and a shoulder corsage of white orchids. Best man was Private

first class Jack D. Cantor. The ceremony was attended by a group of their service friends. Mrs. Morales attended Belle Glade High School and West Palm Beach school, and was employed at the First National Bank in Palm Beach before enlisting in the WAC last July at Miami. She received her Army training at Fort Des Moines, Iowa, and reported for duty at the Dugway Proving Ground at Tooele, in the communication center, in October. Sergeant Morales is the son of Mr. and Mrs. Vincent Morales, Sr., of Attwood, California, and he is also stationed at Tooele. The young couple plan to leave their base on a furlough on December 16 and will spend Christmas here with Mr. and Mrs. Ingram, and New Years in California with his parents. Following his release from the Army, they will make their home in California. Mrs. Morales will be associated with his father in business.

## T. E. L. CLASS HAS CHRISTMAS PARTY

The T. E. L. Class of the First Baptist Church held its regular monthly meeting Monday night in the home of Mrs. George Williams. The meeting was presided over by the president, Mrs. Otis Hayes. Mrs. J. W. Moseley was in charge of the program.

After the business session the class had their annual Christmas party. Mrs. H. O. Earwood, Mrs. I. E. Eadow and Mrs. J. W. Raskley conducted the entertainment. Gifts were exchanged and refreshments served by the hostesses, Mrs. Williams and Mrs. Earwood.

Others present were Mrs. C. G. Pennington, Mrs. Charles Wagner, Mrs. G. C. Howell, Mrs. Josephine Farmer, Mrs. Grady Edwards, Mrs. R. L. Murray, Mrs. Estella W. Fleming, Mrs. V. L. Jones, Mrs. Floyd Chapman, Mrs. Amy Strickland, Mrs. Ray Whitlock, Mrs. John Hawkins, Mrs. Palmer January, Mrs. J. H.

**SOUTH BAY BEAN CITY LAKE HARBOR**

Miss Martha Owen and Mrs. Mary Carrall of Peach Orchard, Arkansas, are spending a three weeks vacation with their aunt, Mrs. B. M. Fender and cousin, Mrs. Alfred Vadasz.

Jake Newman has purchased the L. W. Turner Filling Station, formerly known as the Mackey Filling Station at Lake Harbor, and has assumed the active management of the business.

Mrs. C. A. Sanders, Mrs. Owen, Mrs. Mary Carrall, Mrs. B. M. Fender, Miss Martha Alfred Vadasz and daughter Karen, visited Mr. and Mrs. S. F. Bode in Ft. Myers Sunday.

Pvt. C. A. Kirkland is due back home from overseas service in the South Pacific.

Barbara Jean Willis and Norma Jean Lovell have joined a child's dancing class in Belle Glade.

Mr. and Mrs. V. N. Greer, Vance and Gloria Greer have returned from a week end trip to Felda and Immokalee where they visited friends.

B. D. Willis visited relatives in Miami and took a medical treatment there the last of the week.

Mr. and Mrs. M. Dugger and daughter, Mary Alice, of Greenacres took Sunday morning breakfast with her parents, Mr. and Mrs. Q. A. Keen and visited Mr. and Mrs. R. L. Lovell.

James L. Brown, S-1-c, and wife returned to Ashburn, Ga., after a two weeks visit with Mr. and Mrs. John L. Evans at Bean City.

Mr. and Mrs. R. E. Green of Clearwater, Mr. and Mrs. C. H. Hutton of West Palm Beach, Mrs. Mary Crow of Umatilla, Mrs. Laura Crow of South Bay, and son Mice of Miami Springs, were the Sunday dinner guests of Mr. and Mrs. Alvin B. Crow.

T-Sgt. Walter Burney is home after 26 months overseas service with the Technical Corps. He is visiting his mother, Mrs. Signe Burney.

Pfc. Oneal Walker has returned from the European Theater after 23 months overseas service in France, Belgium and Germany.

Mrs. E. M. Willis taught the first and second grades in the South Bay school Monday in the absence of Mrs. E. M. Parsons, teacher, who was in West Palm Beach to consult a physician.

Mrs. Terrell Lee and infant daughter Tyra have returned home from the Clevelton Hospital.

Mr. and Mrs. Herbert Marlowe, Jr., and brother, Purvis McAllister, visited relatives in Miami Sunday.

Mrs. John R. Crow and son Mike of Miami Springs are spending the week with her parents, Mr. and Mrs. P. E. Goodbread.

Mrs. W. A. Allen left for her home in Boston last week after a three weeks visit with Mr. and Mrs. W. C. Allen and family.

Ensign Thomas Barnes, home on leave, and father, R. R. Barnes of Lake Wales, visited Mr. and Mrs. A. B. Barnes and family recently.

Mr. and Mrs. Seth Roundtree of Indianatown visited his parents, Mr. and Mrs. Ted Daniels, and grandparents, Mr. and Mrs. C. J. Brown, one day last week.

Mr. O. M. McAllister of Bean City, Mrs. H. L. Marlowe, Jr., Jerry Marlowe, Mrs. Marvin Miller and son, Billy, spent the day Saturday in West Palm Beach.

Sgt. Jack Keene, son of Mrs. Anne Keene, has received his discharge from the army after five years' service, much of which was on Siapan and other South Pacific parts. His brother, Al Keene, is reported enroute home from Korea.

Mr. and Mrs. Cees Peet have returned to New Jersey after a hurried business trip to the Glades and Zellwood to look after farming and property interests.

Geo. A. Thompson of Swains

borough, Ga., is visiting his daughters, Mrs. Bark Challancin and Miss Peggy Thompson. He accompanied Mr. and Mrs. Fred Bridges and family down from Ft. Pierce last week and remained over for a longer visit.

Mrs. Vernon Best and infant daughter, Nancy Lydia, have returned from the hospital in West Palm Beach. Her husband, SF 3-c Best, is home on a 30 day leave.

Mr. and Mrs. Edmund Leathlean and children and mother, Mrs. Ida J. Leathlean, spent the week end visiting friends and relatives in Ft. Myers.

Mr. and Mrs. Edwin Best visited their daughter, Mrs. B. W. Williams and family at Lakeport recently.

John Gardner, on leave from the U. S. Navy, is visiting friends and relatives in Belle Glade and South Bay.

Rev. Gore of Halifax, Ala., will arrive Wednesday, Dec. 12, as candidate for pastor of the Baptist Church at South Bay.

J. C. Bowen has returned from a weeks visit in Miami.

MM 3-c Sammy Best has re-

ceived his discharge from the U. S. Navy and is visiting in California and Chicago before returning home.

George W. Hudson, Jr., who recently visited his father here, has returned to Lawson General Hospital at Atlanta, Ga., for treatment for his other leg. One leg had to be amputated and he wears an artificial limb. They estimate that treatment on the other leg will keep him a patient at the hospital for another year. He was wounded in the Normandy Invasion.

Pfc. Harold Hudson, who has been stationed in Australia, is now enroute to the European Theater according to word received by his father.

Mrs. Marlin Lee of Lake Harbor remains critically ill at the hospital in Miami.

**Baptized**

G. A. Perkins, former looker tender at Lake Harbor, now a patient at the Lakeland Convalescent Home, was baptized into the Baptist Church November 28. The rite was administered at the South Side Baptist Church in Lakeland, Rev. C. L. Clements, pastor of the Lake Harbor Baptist Church, officiating in this extension service.

of the Lake Harbor church. Mr. Perkins has been bed-ridden for several years and was taken to the baptistry in a chair carried by Lewis and Hub Bolton.

**Fishing Interests Busy**

As a result of recent gathering of fishing interests on Lake Okechobee, W. J. Hendry, of Okechobee, L. M. Lilly, A. A. Pierson, of Moore Haven, were named as a committee to further organization of all interests relating to the closing of Lake Okechobee to commercial fishing.

Mr. Lilly, one of the largest operators on the lake, stated "We hope to persuade the sport fishermen and the State Commission they are wrong in seeking to close the lake, but failing this, we are prepared to carry on the fight in the courts."

WEST PALM BEACH

We Have Many Satisfied Customers  
In The Glades

**Island Landscape Co.****Palm Beach County Leads the Nation....**

In money value of its vegetable crops, Palm Beach County heads the list of counties of the nation. During the 1943-1944 season, approximately 130,000 crop acres were produced in this county. We're proud of that record, because along with other civic-minded citizens of this area, Anthony's worked with tooth and nail to put through the first of the drainage and water control projects which started this county on its way to agricultural fame.

After all is said and done, agriculture has ever been the world's basic industry. Whenever catastrophes have visited the earth, those who have met with disaster have asked for clothing and shelter, but first of all they asked for food. Agriculture is the backbone of the State and the nation. Because her agricultural resources are prodigious, the farming future of Florida is almost as well guaranteed as a Government Bond.

History records that Uncle Sam paid Spain five million dollars for Florida in 1820. The farm products produced in Palm Beach County last year alone were worth six times this purchase price. What a county!

Anthony's is proud to have had even a small part in the scheme of Palm Beach County's development. We look back at fifty years of its progress and ahead to a future we believe fraught with great things for those who think constructively, hold steadfastly loyal to American ideals, and work energetically and with imagination.

This is No. 9 of a series  
of ads commemorating  
Anthony's Golden Anniversary

**Anthony's**  
312 CLEMATIS ST., WEST PALM BEACH

**"Me...I'm staying in the Army!"**

★  
THERE ARE PLENTY  
OF REASONS...  
AND HERE THEY ARE!"

- "First, I keep my present grade. That means a lot."
- "By reenlisting for 3 years I can pick my own branch of service in the Air, Ground or Service Forces, and can go to any overseas theater I wish."
- "I get my master-out pay, even though I'm reenlisting. Also, I get \$50 a year reenlistment bonus for each year I've been in the Army. My dependents receive family allowances for the full term of my enlistment. And I'll be eligible for GI Bill of Rights benefits when I get out of the Army."
- "My food, clothes, quarters, medical and dental care are all supplied to me. And I can learn any of 200 skills or trades in the Army schools."
- "All of us who are reenlisting are going to have from 30 to 90 days' furlough at home with full pay and our travel paid both ways. And we'll have 30 days' furlough every year with pay."
- "Any time after 20 years I can retire at half pay increasing year by year to three-quarters retirement pay after 30 years of service. And the time I've already served in active military or naval service counts toward my retirement time. Added up—reenlistment seems pretty sound to me!"

**JANUARY 31, 1946**

AN IMPORTANT DATE  
FOR MEN IN THE ARMY

Men now in Army who reenlist before February 11 will be reenlisted in present grade. Men honorably discharged can reenlist within 20 days after discharge in grade held at time of discharge, provided they reenlist before February 1, 1946.

You may enlist AT ANY TIME for 1½, 2 or 3 year periods. (One-year enlistments for men now in the Army with at least 6 months of service.)

# CITY WILL GIVE PARKING METERS A TRIAL TEST

Belle Glade City Commissioners, convinced that something drastic must be done to cope with the ever increasing parking problem, after listening to an agent for a parking meter concern, decided to give

a trial to parking meter machines, which are to be installed at no cost to the city under a very liberal contract agreement.

The plan is to install these meters on Avenue A from the stop light westward to Second street, and south from the stop light to the corner of Main street and Avenue C. It is fig-

ured on an eleven foot angle parking space, for both sides of the thoroughfares, it will take around 150 machines. The company agrees to install the machines at \$58 a unit and give the city one-half of the meter income, and from the income to the city, the city can pay for the machines over a period of time, from the take it is secur-

ing from the parking meter operations. If proven not satisfactory the machines will be removed at no cost to the city.

Mr. E. D. Bean, plant representative of M. H. Rhodes, Inc. of Hartford, Conn., inventor, patentee and manufacturer of the meter machines, presented the plan to the commission, and demonstrated the workings of the meters, which are very simple in their construction and operation, but proof. The meters are known as the penny-nick type, twelve minutes for a penny for short stops; and 60 minutes for a nickel, each having a short lever for the benefit of the patron. With these machines there will be no all-day parking without paying hourly for the privilege.

The Commission adopted a resolution approving a new state law, relating to junk yards and their fencing, and asking that the County Commission endorse and pass an order under it, and place same in effect in the county. By this means the commission feels it can more effectively cope with such conditions now prevailing in Belle Glade.

Commissioner Van Landingham made inquiry of the liquor law concerning the location of liquor joints or hotel cocktail bars, within the immediate location of churches and schools. The question is to be given investigation by the city attorney. As the Methodist church plans a new structure north of its present chapel it is against having a cocktail bar any nearer its church plant than the new provides. A similar condition exists over in colored town in regard to two wine and beer parlors, one which was located long before the church was built, and one now too close under the distance law requirements.

Considerable time was consumed over the study of the plans for two new residential subdivisions as presented by local realtors, one for a colored subdivision on the Creek land west of Eighth street and another white division on the Weiman land south of the Glades bridge. Both plans will be restricted, for one family units, and will be provided with paved streets. The colored subdivision will be for good homes for the more prosperous negroes, and will also contain a health clinic, which the city is set for the new proposed Negro City League is sponsoring and paying for with its own funds. Both plans were tentatively approved, but subject to engineer plans for later approval.

Several new applicants for taxi licenses were before the body, but these were opposed to by Percy Brock, who now hold the sole franchise by the city. The operators stated that they now had three cars in service, which was taking ample care of the present taxi business, and whenever the commission decided that it needed additional service, a definite new equipment would be put in commission. That with other businesses in the field, no one would be able to make a profit out of the business. Commission expressed opinion that there was not a need of additional taxi service now, and so tabled the petition.

## GIRL SQUADS HOLD ELECTION OF OFFICERS

Troop 1 of the Girl Scouts held an election of officers at their regular weekly meeting on Monday afternoon. The two patrol leaders who were selected were Betty Lou Powell and Daphne Schriber. Treasurer, Kaye Lutz; scribe, Geraldine Dray, and publicity chairman, Marguerite Campbell.

The majority of this troop are all second class Scouts and they are working on their first class badges under the leadership of their captain, Mrs. Walter Cross, and co-captain, Mrs. John Tabit. Most of the girls passed their clothing badges and are now working on merit

This troop is composed of girls between the ages of 12 and 14, and new members will be welcomed into the patrols.

## CITY COMMISSION

Continued from page one noon of December 16, at which time around 250 persons are expected to attend.

Received from the B. T. Cole Insurance Company, a plat for the numbering of the business houses and residences of Belle Glade. Established the Highway routes 143 and south No. 25, the north and south division line, and the Hillsboro canal as the east and west dividing line. Directed the Police commissioner make a trade deal with the Bee-Mathis company for a new seven foot electrical ice box for the jail kitchen, as the old one was worn out and more costly to repair than to purchase a new one.

All applications for taxicab permit licenses were tabled until Commissioners could better familiarize themselves with the ordinance provisions, and the Solicitor drew up a revised ordinance, to meet the present day growth of the city and meet the supply and demands for taxi service.

Ralph Freeman appeared before the board in behalf of a returned war veteran who is desirous of setting himself up in the taxi business. E. J. Miller, who had made application for a permit, told commission that he was not personally interested in his deal, but was seeking it for another veteran, and anything done would need with his approval.

Entered into contract with the Landis Construction company for the handling of rock from the city dump ground pit. Under its provisions, city is to secure rock loaded on its trucks at \$125 a yard, and to other purchasers at \$175, to be hauled either in city owned or other trucks, and the company pays the city 5 cents a yard for all rock sold to others than the city. Landis is to dig pits for garbage disposal, keep the land in order and maintain necessary roadways.

## LAKE FISHERMEN

(Continued from Page 1) aggregate at present a million dollars a year.

He asked the assistance of the City Commission and citizens, to join in a movement with the Fishermen's Association, to keep open the lake to fishing, and help save this commercial industry, which was the oldest in the Lake Okechobee region, with its main outlets and centers at Okechobee and Moore Haven.

He stated that in the state fishing records, salt and fresh water, that Glades county took the lead, Okechobee second, Palm Beach third, and Hendry fourth, and that operators had thousands of dollars of investments in equipment and parking houses, which would be practically confiscated and useless unless lake fishing could be kept open.

## PHIL O'CONNELL

(Continued from Page 1) plenty of witty and sound information and opinions to present in connection with his subject. In speaking, he stated that now more than ever, the wisdom and need of an organization such as the United Nations Charter type has been more than fully justified, and the speedy perfection of getting same into working order is imperative.

The speaker being a man accustomed to search out laws, bills and agreements, had studied his subject well, and part by part, division by division, along with their respective purposes, he described in a most informative manner, so that his hearers gained a more comprehensive idea of the contents of the pact.

At the meeting next week, the program will be devoted to preparation of the club's Christmas charity program, and their generosity is not waiting at that time; and also what part the club will take in the City Community Christmas entertainment to be sponsored at the city park by the Recreational Commission.

"Sonny" Smith, high school representative, had it his guest, Barnes Creech, whom he introduced as a son of a Rotarian.

## Big Odd Fellows Convocation

A most interesting gathering of Odd Fellows from south Florida was held at the hall of West Palm Beach lodge on Sunday afternoon, when a class of candidates from Glades, West Palm Beach and Hollywood were given the work of the four degrees. The degrees were conferred most excellently by combination teams from the lodges. Among those who made

short talks were Lennie Stuckey, Herbert Beck, Robt. Schroeder and Past Grand Master John M. Glodtiff from the Glades section. A most sumptuous evening cafeteria supper was served by the home lodge.

According to the best authorities, the minimum daily A-DAY Vitamin requirement amounts to 4,000 U.S. Units. Each ONE-A-DAY Vitamin B Tablet contains 25% more of the real live oil vitamins than the minimum daily recommended quantity. Complete Tablet contains full minimum daily requirements of Vitamins B1 and B2 and 10,000 Micrograms of Nicotinic Acid, together with a side-dose of Vitamin C. When you buy ONE-A-DAY Tablets conform to the above standards. See how reasonable the cost. Get them at your drug store.

### Attend Thanksgiving Services of Indians

A group of South Bay Baptist Church members motored to the Big Cypress Thursday to attend the Thanksgiving services of the Seminole and Cherokee Indians. They left South Bay at 7:30 a. m. Those in the party were Mrs. S. M. McAllister, Mrs. A. B. Barnes, Mrs. L. O. Ratley, Mrs. W. M. Jeffries, Mrs. Edwin Best, Mary Lois Hodges, June Ratley, Mr. and Mrs. W. C. Allen, L. L. Hardy, M. J. Hardy, all of South Bay, Mrs. Juanita Lewis of Tampa, Rev. and Mrs. Albert Dawson of Clewiston, Rev. and Mrs. U. C. Walton, temporary pastor at South Bay, Mrs. L. C. Quinn of Dania, Fla., president of Baptist Brotherhood at LaBelle, Dr. Charles B. Allott, pastor of the Baptist Church at LaBelle, Mr. and Mrs. Carl Whoooper, school teachers just home after three years in a Japanese prison camp, now working on the Indian Mission.

The morning service was a Thanksgiving song service conducted by the Indians, all of whom were in native costume. A number of songs were sung in the native language with chorus in English. Josie Billy acted as Indian interpreter.

In the afternoon Dr. Allott presided at the first service of the 107th Psalm as text. Plans were laid to establish a permanent mission at Brighten next Sunday. Mrs. Dawson played the organ accompaniment in an instrumental number. Mr. Dawson played several numbers on various instruments, a saw with a violin bow, a Hawaiian guitar, each number accompanied by Mrs. Dawson on the accordion. The musical service ended with a vocal duet by her.

Rev. Dawson presented an illustrated song in colored chalk pictures. Mrs. Dawson played, "Let the Lower Lights Be Burning" as her husband drew the pictures to illustrate the theme of the song. Willie King and Josie Billy interpreted the service into native Seminole and Cherokee dialect. Miss Guinn, missionary from Dania to the Indians in the absence of Stanley High, regular missionary, spoke. She was in a native costume which had been presented to her. The afternoon program was in charge of D. C. Fernigan. A barbecue dinner was served at noon by the Indians. The menu consisted of barbecued beef and turkey, turkey cooked with grits, chicken pilau, cooked green cabbage, pickles, baked beans, bread, coffee, lemonade. The dessert consisted of pie and cake was furnished by the visitors from the Glades.

### Frost Does Damage In South Bay Area

A spotted frost struck the snap bean crops along the south shore of Lake Okechobee Friday night and early Saturday morning doing considerable damage to growing and matured crops. In the South Bay area on high land near the lake very little damage was done but crops along Road 26 and the North New River Canal suffered, some fields damaged, some killed to the ground and others apparently little. Monday in this area 300 pickers were harvesting a crop on one side of the canal while a field on the other side of the canal was black, killed to the ground. Some fields ready to harvest had the top foliage badly burned by the frost while the beans protected by heavy foliage were undamaged.

The cane around the lake shore was not damaged to any extent and that on the Okelanta Development corporation was also unharmed. Cabbage in the Okelanta section was undamaged and in excellent condition. The earlier stages of growth Potatoes were damaged, those in

were probably killed while potatoes about ripe and ready to dig are thought to have escaped too much damage.

Up the lake shore from Dean City through Lake Harbor to the county line, snap beans even along the highway on the lake shore were badly damaged. In places while only partially damaged in fields. At some places the beans from the lake shore were badly damaged. It is estimated 5 per cent loss in the area between South Bay and Okelanta. Arthur, who reported heavy loss to his crops along the lake shore between Lake Harbor and Bare Beach, "Bo" Norton of the Everglades Produce Company estimated that the entire South Bay Okelanta area probably lost 70 per cent of their snap beans. Considerable acreage of English peas was undamaged by this cold wave.

### Back To Miami

Elmer D. Pratt, Captain 3-e, seventh naval district at Miami and J. B. Stewart, 1-e, left this week under orders to report back to Miami after spending three weeks on Kramer Island, where they operated a government landing barge to and from the islands. The barge was sent in response to a call for help to save the island snap bean crop which would otherwise have been lost due to an impassable road and no means of transportation to get the crops off the island. Truck loads of pickers and picking crates were picked up from the lake and transported across Pelican Bay to the island. Return trips brought barge and land trucks back to the mainland.

The landing barge was sent partly as an experiment in lake transportation and was declared successful by the growers whose crops were saved and brought to market by this means. It took three days for the trip from Miami to Kramer Island in Lake Okechobee and they remained three weeks making an average of eight trips to and from the islands per day.

### Mrs. Minnis Bass Passes Away

Mrs. H. P. Guy was called to Kennesville by the death of her mother, Mrs. Minnis Bass. Funeral services were conducted Sunday afternoon at 4:30 o'clock at the First Baptist Church, Rev. Vickers officiating. Mrs. Bass was 76 years of age.

She left five daughters and two sons to mourn her death. Mrs. Nellie Padgett and Mrs. Miss Hattie Bass of Kennesville, Helen Laurance of Okechobee, Mrs. Anna Groover and Rudy Bass of St. Cloud, Son Bass of Gainesville and Mrs. H. P. Guy of South Bay.

### EVERYONE ENJOYED

(Continued from page one) were noted, Coach Browning and one of the Williams' sons, who received bad cuts about the nose and eye, but they were game and stayed right in the conflict.

The atmosphere was just right for football, and to keep warm the eleven had to keep moving at a fast pace. Both Coaches Cooke (the coach says that is the proper spelling) and Browning played all the members of their squads, and one time Browning sent an all new team, but this did not confuse the Rams a bit.

It was about mid first quarter before the Rams got their first touchdown, when Beardon got away for a pretty 60 yard left end run, and Cherry came in to kick the added point. Again in the second quarter, the Rams got within goal territory, and a zigzag play through the line sent Cromarty over for the touchdown, and Cherry again converted. Belle Glade started on its own 40 yard. Beardon made a 30 yard run for a first down, then a moment later Cherry passed to Wedgeworth in the south east coffin corner, and George scored standing up, but conversion missed on this play. The Rams played straight down the field football for their last west end score, taking it over on a last three yard line plunge, but conversion again failed.

The Grumbler and Growler aggregation, so named by Mike Murphy, had played good ball, of valued experience to the Rams so a surprise play was cooked up so that they might at least make one touchdown. With the ball the Grumbler's 40 yard, when the play was called, every member of the Rams team just fell flat on the ground, and did not contest the play and that soldier lad from the POW camp, got

the skin, and how he did scowl that north end side line to make the 60 yard run for the touchdown. This was a great mirth producing event, and what cheering went up, when the "has been" got the added point.

Jim Darden, president of the South Shore Athletic Association was strong for his Rams, and had made a side wake play passed to the winner, but later upon the winner's insistence, it was restored to Darden, after he had taken no end of good natured kidding from his fellow cronies.

If you have not computed the final score from the above story, here it is: Rams 26, "Has Beens" 7.

Just for the spirit of fun and amusement, the following players reported to Coach Browning, some of the names being familiar as former players on the Rams team: Jimmy Williams, Bruce Williams, Lebron Williams, Wallace Williams, Nash Lloyd, Clarence Kiddler, Priced Eggleston, Leonard, Bowers, Richmond, McGuire, Pettrell, Maurer, Taylor, Patterson, Brandy, Spooner, Pugh, Greer and Browning. Eggleston's play easily made him the "star" of his team, he playing quarterback on offense and fullback in defense.

### Eagles Win The Indian River Cup

Ft. Pierce Eagles by trimming the Vero Beach team, on last Friday night, by a score of 6 to 0, took undisputed the position of champions of the Indian river conference, for the 1945 season.

The Pahokee Blue Devils run up against the strong Lake Worth Trojans, and lost by a score of 14 to 7, and this win will likely land the Lake Worth aggregation the Palm Beach county leadership, as that team had a shade the best in its showing against the Belle Glade Golden Rams' record.

For the first time in the history of the big city school, West Palm Beach Wildcat failed to score a victory on its schedule.

### Victory Loan Laps

This week sees the end of the Eighth Bond campaign, termed the Victory issue, and

to date, many sections of the state have been holding in the "E" bond sales, including Palm Beach county. Chairman Campbell of the Glades area, states that the buying in his area has been very slow in comparison to sums subscribed in the other seven bond sales.

Swinging to the production of firearms for sportsmen, the Marlin Fire Arms Company looks for the biggest year in its 75 year history in 1946. The concern has already converted and now is in 100 per cent peacetime production.

## The Old Gray Sedan... She ain't what she used to be!

Most American automobiles in use today cannot long bear up under high-speed driving. Tires have been driven far beyond their normal life. High speeds may cause sudden, fatal breakdowns.

Even if we all had a brand new super-deluxe, we would still need to drive very carefully. "A sudden return to pre-war driving speeds," warns the National Safety Council, "may well produce an accident toll far greater than the pre-war

peak of 40,000 deaths and 1,400,000 injuries reached in 1941."

The Belcher Oil Company suggests this slogan for all motorists: "Stay at 45 . . . and stay alive!" And you can paste that on your windshield!
